Independent Publishing Network, United Kingdom, 2019. Paperback. Condition: New. Language: English. Brand new Book. A folktale mystery. A parable of neglect. A descent into horror. An isolated twelve-year-old confides in no one except her diary, until one day the diary writes back. As the pages' suggestions spill violently out into the real world, Rosie Marsden must discover who-or what-is making the entries. And to what dangerous end. Ida, Leeds, UK. "It varied between sad neglect and high drama, in a good way. I loved to hate the antagonists, and the fact that the mundane parts of Rosie's life were painted in its bleakness was very well done. I found the book to be captivating from the first read. It didn't...
